NEW 550K SF BUILDING BROKERED FOR CENTERPOINT PROPERTIES

Illinois

WEST CHICAGO – In December of 2015, DS Containers completed the construction of a new 300,000 square foot warehouse in West Chicago. Keating Resources brokered the new property for CenterPoint Properties. A 250,000 square foot expansion is expected to be completed by January of 2017, which will bring the warehouse's total square footage to 550,000 SF.

Keating Resources, with offices in Florida and Nebraska, invests in value add real estate, logistics, agriculture and energy assets.
