MIAMI AND TAMPA, FLORIDA PROPERTIES RECENTLY LEASED BY KEATING RESOURCES

Florida

Four Florida properties were recently lease by Keating Resources, which has offices in Naples, Florida, Atkinson, Nebraska, and Geneva, Illinois.

MIAMI, FLORIDA – An 80,000 square foot property was recently leased to Interport Logistics. The property’s FTZ status was activated so the property may handle products through Port Miami.

TAMPA, FLORIDA – A 25,000 square foot property was leased to Decorator’s Office and Furniture, which houses an office showroom as well as a distribution warehouse. (dofetc.net)

CQ Insulation signed a 12,000 square foot property lease for warehousing and distributing insulation products for multifamily, commercial and residential building projects. (cqinsulation.com)

A bed frame manufacturer, Miller Lumber, recently signed a lease for a 22,000 square foot property to distribute product to the Tampa market.

All of the property sales listed fall under Keating Resources’ owner and CEO, Gerard Keating’s, business outlook of investing in value add property assets.

Keating Resources, with offices in Florida and Nebraska, invests in value add real estate, logistics, agriculture and energy assets.
