84 LUMBER LEASES PLANT CITY DISTRIBUTION CENTER

Florida

A Plant City property was recently leased by Keating Resources, which has offices in Naples, Florida and Atkinson, Nebraska.

PLANT CITY, FLORIDA –Naples-based investing company, Keating Resources, leased a rail-served facility in front of a 58,000 square foot property to 84 Lumber. The property, situated in Plant City, is located three miles from Interstate 4 and also contains 2 acres of fenced outside storage. 84 Lumber chain stocks building materials and supplies in a warehouse-like space. Keating Resources and 84 Lumber were represented by David A. Buckner, SIOR with Lakeland, Florida based Buckner Commercial Real Estate.

Keating Resources, with offices in Florida and Nebraska, invests in value add real estate, logistics, agriculture and energy assets.
